

How to use Adobe Connect for Erin's Office Hours

A very useful site for reference on Adobe Connect at WPI is the following:

<http://www.wpi.edu/Academics/ATC/Collaboratory/HowTo/AdobeConnect/>

If you plan to use Adobe connect, you should make sure that your web browser of choice is capable of running the latest version of Adobe Flash Player. You can download the latest version here:

<http://get.adobe.com/flashplayer>.

Next, visit <http://connect.wpi.edu> and log in using your WPI ID and password. This will create you as a user in the WPI connect system so that I can send you an e-mailed invitation to the office hour meeting room each week.

In order to connect to Erin's office hours, you should use the following link: <https://connect.wpi.edu/ma1021e14>, which will be available from 4–6 p.m. on Wednesday nights. If you are a user of Adobe Connect at WPI, then I will be able to send you a reminder invitation.

Again, if you have questions about Adobe Connect, you should visit WPI's Adobe Connect help page:

<http://www.wpi.edu/Academics/ATC/Collaboratory/HowTo/AdobeConnect/>.

If this page does not answer your questions, then you should contact the WPI ATC, either by walking to their office of the Gordon Library or the Fuller Laboratories, or by sending them an e-mail. Send it to atc-ttl@wpi.edu.
